**REPORT ON PHARMACOVIGILANCE WEEK: FREE MEDICAL CAMPS**

Organized by: Vaagdevi Pharmacy College  
Occasion: 3rd National Pharmacovigilance Week  
Date: 23-09-2023  
Venue: College Premises

As part of the celebrations for the 3rd National Pharmacovigilance Week, Vaagdevi Pharmacy College organized a Free Medical Camp on 23rd September 2023. This initiative aimed to create awareness among the underprivileged and underserved sections of society about the importance of healthcare and pharmacovigilance.

The camp provided:

- Free full-body health check-ups
- Free pathological tests
- A Voluntary Blood Donation Camp

These services were made available to faculty, non-teaching staff, and students of the college. The event was a unique way to commemorate Pharmacovigilance Week by addressing healthcare needs and emphasizing the importance of drug safety and reporting adverse drug reactions. The health camp witnessed active participation and enthusiasm from NSS Volunteers, who played a crucial role in the successful execution of the event. Their efforts included:

- Coordinating patient flow for various check-ups and tests
- Assisting healthcare professionals during the medical examinations
- Managing the blood donation camp alongside medical staff

The program emphasized the role of pharmacovigilance in ensuring the safe and effective use of medicines. Participants were educated about common health issues, the significance of timely health check-ups, and the importance of reporting adverse drug reactions. The event concluded with positive feedback from participants, who appreciated the college's efforts in promoting health awareness and providing free healthcare services. The initiative successfully highlighted the college's commitment to community welfare and public health. Special thanks to the college management, medical staff, NSS Volunteers, and all participants for their cooperation in making this event a memorable and impactful one.

**Report on Awareness Programme on Polycystic Ovarian Syndrome (PCOS)**

**Organized by:** Vaagdevi Pharmacy College

**Date:** 26th September 2023

**Time:** 10:30 a.m.

**Venue:** VPC Seminar Hall

The Awareness Programme on Polycystic Ovarian Syndrome (PCOS) was successfully conducted on 26th September 2023 in the VPC Seminar Hall. The event aimed to educate and spread awareness about PCOS, a common hormonal disorder affecting women, and to promote early diagnosis and management strategies. **Dr. B. Sandhya Rani**, MD, DGO, FLCOG and **Dr. Anitha**, MS (OBG), FMAS, FRM were invited as **Chief Guests and Speakers**. Both esteemed speakers are renowned in the field of obstetrics and gynecology, bringing vast expertise and insights to the programme. The event began with a warm welcome to the guests, faculty, and students. The principal, **Dr. G. Kamal Yadav**, inaugurated the session, emphasizing the importance of creating awareness about women's health issues.

**Key Topics Covered:**

- Causes, symptoms, and prevalence of PCOS
- Importance of early diagnosis and lifestyle modifications
- Management options, including dietary changes, exercise, and medical treatments
- Psychological impact of PCOS and coping mechanisms

The programme included an interactive Q&A session where participants clarified doubts and received expert guidance. The speakers addressed myths about PCOS and provided evidence-based insights to empower women in taking charge of their health. The session was highly informative and well-received by the attendees, including students, faculty, and staff. It provided a platform to raise awareness about PCOS and encourage proactive health management.

The event concluded with a vote of thanks to the speakers for their valuable contributions and the participants for their enthusiastic engagement. Vaagdevi Pharmacy College continues to demonstrate its commitment to addressing critical health issues through educational initiatives.
