### 5.1.2 Students Benefited by Scholarships and Freeships Provided by the Institution

#### Policy for Institutional Scholarships, Freeships & Merit Scholarships

The VAAGDEVI management has decided to introduce a reward system for students showing a high level of Merit during their academic program. This reward system is in addition to the awards conferred during first semester every year. It is aimed at bringing in an academic rigor among students and keep them focused on their academic track. This policy document details the various Merit Scholarships that will be bestowed upon the students during their academic program and the framework to implement and disburse the Scholarship

The college is providing fee concession/ fee waiver for needy students of all courses. A standard procedure is followed for the scholarship policy.

- 1) The students who are intending to avail this facility have to submit their application in a prescribed format to the head of the department. The applications can be collected from the college Library.
- 2) The head of the department based on the applicant's academic performance and the economic background scrutinize the application and the same is discussed in the department faculty council.
- 3) The recommendation of the faculty council is forwarded to the Principal by the Head of the department.
- 4) The principal presents the same in the Management council meeting and the final approval and rejection of the same happens.
- 5) Usual submission of the application happens before the admission process
- 6) Management council consists of the Principal, Director, HOD and Coordinator
