Enrolment onto your course is subject to you obtaining the right to study in the UK on a course at the University.

#### Confirmation of Acceptance for Studies ("CAS")

On confirmation of evidence that you have met all the entry conditions set out above, save for obtaining a visa, including receipt of your 1<sup>st</sup> Tuition payment (or an acceptable financial guarantee letter) by our finance department, we will e-mail you your unique CAS number. This will be a PDF copy of the CAS statement generated from the UKVI's SMS portal. You will need your CAS to apply for your student visa. Where applicable, we may be able to issue you an Unconditional Offer Letter as evidence that you have fulfilled all admissions entry requirements.

#### Accepting Our Offer

If you wish to accept this offer and firmly reserve a place you must reply by email quoting your name and reference number (as above) and confirming the course you are accepting. Alternatively, on meeting your offer conditions and by paying the Deposit, on receipt of the Deposit by the University you formally accept your offer of a place with the University.

This offer has been made on the basis that you are an International Student. If this is not correct, this offer may be withdrawn at any time.

If you consider that you are a Home fee paying please contact [ukadmissions@coventry.ac.uk](mailto:ukadmissions@coventry.ac.uk) who will review this offer.

By accepting your offer of a place, a Student Contract will be formed between you and the University. A copy of the Student Contract will be sent in due course, which you will be signing up to when you enrol. A copy of the Student Contract can be found on our website. This Offer Letter, the Student Contract (and the documents referenced within it), detail the rights and the obligations you will be bound by during your time as a student and contain the obligations that the University will owe to you. You should read the Student Contract before you accept an offer of a place and before you enrol at the University.

Your Student Contract with the University begins as soon as you accept your offer. If you want to cancel your place, you have the right to do so within 14 days of accepting the offer. Within that 14-day cooling off period, you do not have to give a reason for cancelling. However, you must tell us that you want to cancel your place in a clear, written statement. If you need help making your statement clear, you can fill out the cancellation form attached to the enclosed Student Contract and email it to [applications.io@coventry.ac.uk](mailto:applications.io@coventry.ac.uk).

#### Enrolment Details

Further information will be sent to you by email advising you on how to enrol, most importantly:

- Ensure you do bring originals of the academic documents used by the Admissions team to issue your CAS to you (these would be stated on your CAS in the evidence to obtain offer section.) for verification by the University's Compliance team.
- Ensure your personal details including your full names and date of birth on your original academic documents do match the same details on your passport. If there are any discrepancies between these documents and your passport you need to provide a supporting letter from your previous institution confirming you are indeed the same person who studied with them and was awarded the qualification. Please note the University does not accept affidavits and these would not be accepted for enrolment.
- You must have paid a minimum of £8000 to enrol.

Further information can be found at <https://www.coventry.ac.uk/study-at-coventry/get-ready/>

#### Document Verification – Academics and Evidence of English Proficiency

At enrolment, we will need to verify your academic and English qualifications stated on your CAS or Unconditional Offer letter. You **MUST** bring these original documents with you to enrol onto your course. Photocopies or electronic copies will **NOT** be accepted and you will not be able to enrol. Likewise, you may not be allowed to attend classes if originals of these are not provided.

#### Tuition Fees

The University will charge tuition fees in accordance with the 'Tuition Fee Terms and Conditions and Refund Policy. Please ensure that you read the 'tuition fee terms and conditions':

<https://www.coventry.ac.uk/the-university/key-information/registry/withdrawal-refunds/>

International Students (Non-EU) are required to pay a tuition fee deposit at each Academic Stage/Year to secure a place. Before you can fully enrol onto your course, or each Academic Stage/Year, £8000.00 of your full tuition fees for the relevant Academic Stage/Year must be received by the University. Please ensure you allow sufficient time (approx. 7- 10 working days) for your payment to be processed by your bank, received by the University and credited into your student account. You may not be able to attend classes and have full access to University facilities, if you do not fulfil all the requirements for enrolment.

If you have to extend your studies beyond the normal duration of the course (e.g., to repeat a year or re-sit examinations) the University reserves the right to charge you fees at a higher rate during the additional period of study.

This offer is produced on our understanding that you are an overseas fee payer. If for any reason you believe you are a Home student, you need to complete a fee assessment form and provide all supporting documents for us to assess and confirm your fee status. We will need this completed at least 8 weeks to the start of your course. No applications for fee assessment will be accepted if we will not have enough time to process your request and make an informed decision to confirm your fee status before you are enrolled on the course. If you commence your studies as an overseas fee payer, without a fee assessment, you will remain an overseas fee payer for the duration of your course, unless there is a significant change in your immigration status and at the University's discretion.

Please note you may be asked to provide evidence of your financial documents before your CAS is released to you. Your financial documents must meet the requirements for a student visa application. You can find more information here: <https://www.gov.uk/student-visa>.

#### Tuition Awards and Scholarships

If you have been awarded a tuition award or scholarship, you will only be able to apply them onto your final tuition payment (not towards your second instalment). If paying your full fees upfront, at once before enrolment, we recommend that you deduct the value of the tuition award or scholarship before making your full payment. Refunds could take numerous weeks to process.

Please note that admissions onto our courses are subject to you fulfilling our minimum entry requirements. If we assess your application and qualification(s) (with you providing a portfolio, undergoing a faculty interview where required) for a particular course, we may have offered you an alternative course that is more suitable to you based on your qualifications and skill set. Please note, alternative courses offered may take place at one of our other campuses. Please read the offer details above very carefully.

MDes or MEng Programmes are over four years with the possibility of doing an Industry Enhancement year. This is reflected within the exit titles associated with the four-year courses, either Sandwich BA/BEng (Hons) qualification or an integrated Masters course with an MDes/MEng qualification. The Integrated Masters route is designed for high achieving students to continue their studies and to develop advanced technical skills, as such, achievement attained during level 2 is used to determine suitability for progression. Additionally, a three-year BA (Hons) degree is available for those wishing to omit the Industry Enhancement year. We would only issue an offer and CAS for a standard 3 year or 4-year BA/BSc Degree and not for an integrated masters.

If you opt to extend the length of your course after your visa has been granted and this extension does not involve an Industrial placement, you will be required to return to your home country in order to extend your student visa. You will be responsible for covering all additional costs associated with this including visa applications and return travel.

#### Applying for an ATAS Certificate (if required)

If any of your subjects are listed in the attached ATAS list, you **must** apply and obtain an ATAS certificate (issued by the Academic Technology Approval Scheme), before you apply for or extend your Visa, Entry Clearance, or Extension of Stay. If your course is not listed, it **MAY STILL** require ATAS, so please ensure you check the Home Office website for updates. Please visit <https://www.gov.uk/guidance/academic-technology-approval-scheme> to apply online for your ATAS certificate if required and obtain more information on the scheme.

**If an ATAS certificate is required, you will not be granted access to your learning materials or be permitted to enrol onto your course until you provide a relevant ATAS certificate to the University.**

# Sacred Heart UNIVERSITY

INTERNATIONAL ADMISSIONS

September 30, 2024

Dear Sneha Bolineni,

**Congratulations!** The Admissions Committee for the Graduate Program in MS in Healthcare Informatics program has completed its review of your academic credentials. Based on these assessments and the conclusions of the Committee, I am pleased to offer you admission to the Sacred Heart University class entering in the Spring 2025 term.

Your student ID is 0971548. Please keep this for your records.

Your admission status is: **Admit**

Any pre-requisite coursework or conditions of your acceptance, if required, is specified here.

The competition for admission was particularly rigorous this year. We were impressed by your academic achievements and believe strongly in your potential for continued success. A mandatory orientation is scheduled approximately one week prior to the start of your program. Please pay close attention to your email address on file (snehabolineni16@gmail.com) as you will be receiving several detailed emails explaining the costs of your program, important dates to remember, an explanation of conditions of your acceptance (if any), and detailed next steps to receive your I-20. Briefly, your next steps include:

1. Pay your enrollment deposit (this is required to issue the I-20)
2. Have your I-20 emailed/shipped from Sacred Heart University
3. Schedule and prepare for your visa interview
4. Secure your visa
5. Prepare your health immunization records
6. Register for classes
7. Register for orientation
8. Book travel to Sacred Heart University

Sacred Heart University holds students to the highest level of academic integrity, and conducts regular audits of academic documents (such as transcripts, exam scores, etc.). If any documents are found to have been falsified or altered in any way, your acceptance will be automatically terminated and you may be reported to US immigration officials.

As a graduate student at Sacred Heart University, you will be subject to all academic standards and regulations and to the program guidelines in effect for the semester applicable at the time of this acceptance. Furthermore, as an international student, and in accordance with Immigration and Customs Enforcement (ICE) regulations, you are required to maintain continuous, full-time enrollment. Failure to do so may invalidate your student status here at Sacred Heart University, your legality as a visitor to the United States, and consequently subject you to the appropriate ICE repatriation laws. Please refer to our official Graduate Catalog for the complete policy governing full-time status for international students. Please note, that it is a requirement of Sacred Heart University that all graduate students maintain a minimum cumulative GPA of 3.0.

Finally, please accept my congratulations on your successful application. You are about to embark on an exciting, challenging and rewarding professional educational experience. We look forward to welcoming you to the Sacred Heart University campus community and to our graduate program.

With warm wishes,
