Report on Traditional Day 03-05-2024

Students of Vaagdevi pharmacy college celebrated the Traditional Day to promote "Unity in diversity" which is based on the concept where the individual or social differences in physical attributes, skin colour, castes, creed, cultural and religious practices, etc. are not looked upon as a conflict. Rather, these differences are looked upon as varieties that enrich the society and the nation as a whole. Traditional Day was held on 03/05/2024 at the college. It was an eventful day. It was observed as a celebration of India's diverse culture. It's a day designated for people to come in traditional attire from their home state, or specific culture of their choice. Event was inaugurated with lamp lightening and Saraswati pooja by Principal Dr.G. Kamal Yadav. This is followed by classical dance performance. Principal addressed the gathering and explained the richness of Indian culture and traditions. Students were completely in their high traditional competitive spirit. Their inner creativity and potentialities were driven through these traditional competitions. In all, it was a great success and it definitely strengthened the bonds among the students and created respect for ethnic and racial diversity in India. The programme was concluded with vote of thanks.
