## VISION

- It is our motive towards academic excellence in pharmaceutical education to impart best knowledge and practical skills to young pharmacy professionals who can contribute to the requirement of Healthcare system.

## Mission

- Committed to create best infrastructure for the quality Pharmacy Education and Practices for Students to be competent globally.
- To collaborate with the best organizations in the field of pharmacy to train and develop good employees and entrepreneurs.
- Enhance the quality in terms of academics and advanced research.

## Goals & Objectives

- Expand and implement definite, scheduled improvements
- Establish a solid administrative structure and a good governance system.

## Reflection of Mission and Vision in the leadership of institute Policy and Planning:

Through meetings with functional committees, the Principal and department heads review the results of the implementation of action plans, and if necessary, they make changes to the action plans as needed. The Principal conducts meetings with all stakeholders and receives inputs, together with IQAC formulates policies as per the requirement.

## Interaction with stakeholders and faculty:

The principal makes sure that everyone is involved in various activities. Faculty members actively participate in numerous committees and cells to help with decision-making, plan implementation, and developing long-term, strategic plans for future initiatives.

## Academic and Administrative bodies:

The governing body is made up of distinguished administrators, academicians, industrialists, and university nominee who create the rules and guidelines for academic and administrative activities in line with the institute's vision and mission statements.

The organization's vision, mission, short- and long-term goals, and quality policies are kept open to all stakeholders for suggestions. The faculty and support staff are given the necessary training for their development, and teamwork and team building are encouraged to foster a positive workplace culture. The management's participatory role promotes and sustains staff participation, which is essential for the efficient and effective operation of the institute.

**Perspective plans:**

- The institution has a carefully considered plan for the overall advancement of academia and research.
- Enhance and enrich educational opportunities while making sure that students are the main focus.
- Attract, keep, and empower a diverse community of top-notch faculty, staff, and students.
- Develop strategic partnerships and interdisciplinary collaborations. Establish a culture of innovation and change.

**Participation of teachers in decision making bodies:**

One of the most crucial managerial ideas at the institution is that the administration is run by teachers who serve as chairs and members of various committees with representation from students, parents, and management. All of the staff members now feel more engaged and accountable, which has led to effective management of the institution. To ensure a uniform exposure of duties for faculty members academic and professional development, various committees' memberships are changed annually. Teachers contribute to the creation of quality policies and plans by drawing on their professional expertise and the feedback they have received from a variety of sources. This motivates staff to submit creative suggestions that would greatly benefit.

## Internal Quality Assurance Cell (IQAC)

### Goals

- To develop a quality system for conscious, consistent and catalytic programmed action to improve the academic and administrative performance of the College.
- To promote measures for institutional functioning towards quality enhancement through Internationalization of quality culture and institutionalization of best practices.

### Functions of IQAC

- Development and application of quality benchmarks/parameters for the various academic and administrative activities of the College.
- Facilitating the creation of a learner-centric environment conducive for quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.
- Arrangement for feedback responses from students, parents and other stakeholders on quality-related institutional processes.
- Dissemination of information on the various quality parameters of higher education.
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles.
- Documentation of the various programmes/activities of the College, leading to quality Improvement.
- Acting as a nodal agency of the college for coordinating quality-related activities, including adoption and dissemination of good practices.
- Development and maintenance of institutional database through MIS for the purpose of maintaining / enhancing the institutional quality.
- Development of the Annual Quality Assurance Report (AQAR) of the College based on the quality parameters/assessment criteria developed by the relevant quality assurance body (like NAAC, NBA, AB) in the prescribed format.
- Bi-annual development of Quality Radars (QRs) and Ranking of Integral Unites of College based on the AQAR.
- Interaction with State Quality Assurance Cell (SQAC) in the pre and post accreditation quality assessment, sustenance and enhancement endeavors.

### Benefits of IQAC

- Ensure heightened level of clarity and focus in institutional functioning towards quality enhancement.
- Ensure internalization of the quality culture.
- Ensure enhancement and integration among the various activities of the college and good Practices.
- Provide a sound basis for decision-making to improve institutional functioning.
- Act as a dynamic system for quality changes in the Colleges.
- Build an organized methodology of documentation and internal communication.
