Q.21 Give three observation / suggestions to improve the overall teaching – learning experience In your institution

- Provide more opportunities to work in teams, which develop communication, problem-solving and teamwork skills. Also, it is better to explore more practical applications along with the theory by using field trips, animations, videos, graphics, etc.
- To enlighten more about the entrepreneurship and innovation by organizing more activities related to the same.
- Need to provide more internships and exchange programs with other reputed institutes / industries across the globe. Everything is perfect
- It could be better such a great college
- Encourage the students for more learning
- Need more workshops, and career related programs and access to even other hospitals for the cases
- We will learn from each an every class , how to improve the subjects knowledges, individual improvment of the communication skills, improvement of the how to give interview programms , and Lot of oppotunities regular class is really helped to us .
- Well teaching in my college
