POLICY for DISABLED (DIVYANGJAN)

Vaagdevi Pharmacy College for Women provides higher education for women and encourages inclusive participation of all students. In this connection, the institute promotes education and assists differently abled students in creating employment opportunities. The college has institutionalized the following policies for facilitating the Women Students with Disabilities:

- To provide personal and professional counseling, keeping in view their special needs.
- To encourage students with disabilities from rural background to pursue higher education. Hostel fee is waived.
- Will not reject any admission on basis of being differently abled.
- Disseminate information regarding government or university orders dealing with fee concessions, examination procedures, reservation, policies, etc., pertaining to differently abled persons.
- Assess the educational needs of differently abled persons enrolled in the higher education institutes to determine the types of assistive devices to be procured.
- Assess the ability of differently abled students and assist them in getting appropriate employment by providing special training facility.

Support System: Support system enables people with disabilities to move about safely and freely, and use the facilities within the built environment. The disabled friendly equipment is to provide an environment that supports the independent functioning of individuals so that they can participate without assistance, in everyday activities. To the maximum extent possible building is supported with railings for their accessibility. The ramp shall be wide enough that a wheelchair user can use it without any problem. A wheel chair is also provided by the institution.

POLICY DOCUMENT

BAN ON USE OF PLASTIC

- Plastic bags are discouraged, and the college distributes and encourages the use of bags with the college symbol.
- On the college's grounds, display boards with the words "USE OF PLASTIC IS RESTRICTED" are posted.
- Students are periodically informed about the dangers of using plastic in order to establish a plastic-free zone. Environmental Sciences teaches pupils about the dangers of plastics and raises awareness of the prohibition of plastics.
- At the college canteen, stainless steel and glass teacups and glasses for water are used instead of throwaway plastic cups and glasses.

GREEN LANDSCAPING WITH TREES AND PLANTS

- The Institute is situated on a lovely green campus with grass and breathtaking trees planted throughout.
- The majority of the college's passageways are also adorned with flower pots.
- In addition, the college maintains a distinct herbal garden on campus that is beneficial to studying.
- Every year, as part of an NSS Programme, tree planting takes place on the college grounds and in adjacent villages to encourage environmentally friendly practices and tree maintenance.
- Tree guards are installed to protect little plants safe.

PEDESTRIAN FRIENDLY ROADS

- The college campus is very well connected to the National Highway number 7 by well-built roadways.
- All of the roadways have been smoothed, beautified, and lighted, making them more pedestrian-friendly.

- Walking is also favoured because the path from the road to the college building is well-built.
- Many non-teaching staff members, as well as a few students from the surrounding area, take a walk down to college on a daily basis.

RESTRICTED ENTRY OF AUTOMOBILES

- Everyone's entry and departure is monitored via CCTV cameras.
- CCTV cameras have been mounted across the campus, including at the entrance gates, corridors, and the parking lot. These are linked to the Principal's phone as well as the phones of several teacher in-charges for round-the-clock surveillance.

BATTERY POWERED VEHICLES

- To reduce excessive carbon emissions, the institution provides charging stations for Battery Operated Vehicles for both internal and external transportation.
