AAGDEVI PHARMACY COLLEGE

Approved by AICTE, PCI New Delhi & Permanent Affiliation to JNTUHF
P.O. BOLLIKUNTA, WARANGAL-506 005 (Telangana State)

Decentralization

VPC is one of the pioneered institutions in the region of Telangana with an objective to provide a good pharmacy education and to meet the needs of present day healthcare system where a pharmacist has to play important role in the society. To impart the professional course in an effective way, the institution is located at a peaceful locality away from busy, noisy and pollution free atmosphere. Our campus is well equipped with a wide range of facilities that make life on campus comfortable and fulfilling. Campus life is vibrant and engaging. The four year course of B. Pharmacy aims of making pharmacy graduates well- versed in all aspects of pharmacy profession which includes manufacturing, dispensing, storing and handling of medicines with care.

All the courses in our college right from B. Pharm, Pharm D and M.Pharm were governed with highly scholastic and ethical values to bring up the finest output of the students. Our institution always aspires to bring in holistic development of the students with integrated values aiming to excel in field of Pharmaceutical sciences. The alumni of our institution are working in different organizations at national and international levels making the institution, parents and country proud.

We are aiming to introduce Research centre in the campus to elevate the research activities, the leadership involved in developing E-Governance strategies for the institution, ensuring the organization's management system development, implementation and continuous improvement, Interacting with its stakeholders, Reinforcing a culture of excellence, Identifying organizational needs and striving to fulfill them. E-governance strategies were strictly implemented in the college by the management for the effective running of the institution.

The whole campus is under surveillance though 90 CCTV cameras for the smooth maintenance of the college. As per the guidelines given by the JNTUH, our institution adopts the e - governance strategies to conduct various semester and annual examinations. We always stay in contact with the students, faculty, alumni and parents by the website. All the announcements regarding examinations, results, prize winners in various events are posted in the website. An E-SMS alert is sent to the parents of irregular students who are identified by the class teachers, discipline committee followed by head of the institution. The Head of the institution has framed several committees among the faculty which are lead by the HODs and senior faculty members to establish the leadership culture in the institution. Department feedbacks are collected after conduction of departmental meeting which are lead by HODs of the respective departments. Based on the feedbacks requirement of chemicals, books and equipment are made known to the
