## Academic Progress Annual Report 2021-22

Vaagdevi Pharmacy College sprawls across more than 7161 sq. mt of buildup area, nestled in over 2.1 acres of land. It is located in a rural location and is well connected to the city of Warangal and the surrounding villages. The institution has taken significant precautions to ensure round-the-clock safety and security on campus and has appropriate infrastructure facilities to meet the needs of its stakeholders. To meet the evolving needs of the modern academic era and to foster a successful teaching-learning process, colleges have always placed a best on the development and improvement of their infrastructures.

Digitally equipped Lecture halls & seminar rooms have been prepared with LCD projectors, for students. College is also utilizing funds to improvise the ICT-enabled teaching process in a more effective way.

Instruments like UV - Spectrophotometers, HPLC, Dissolution and Disintegration apparatus, Bulk Density apparatus, Franz Diffusion Cell, Tablet Punching Machine, Flame Photometer, BOD Incubator, Inoculation Chamber, Fuming Chamber, Plethysmometer, Autoclaves, Auto analyzer, Spirometer, Crude drugs, Biological and human specimens present in the museum and much more aid in enhancing the practical knowledge of students.

Animal housing is managed in accordance with CPCSEA norms. The institution has a subscription to the Expharma software, following PCI and CPCSEA requirements.

The Graduate teaching programmes are supported by outstanding infrastructure facilities, well-equipped and sophisticated laboratories and museums. The campus also houses facilities like Generator Room, Auditorium, Gym, play Grounds, Volley Ball, Table Tennis, Badminton etc., Hostels, Canteen, Medicinal Garden etc.

The institute has a fully functional Central Library with a seating capacity of more than 150. Library uses the New Gen Lib and is resourceful with books, National/International Journals, and e-Journals through DELNET subscription. Faculty are encouraged to pursue courses on NPTEL to update their knowledge status. Continuous monitoring and updating of the library are done by Institutional Library Committee.

A total number of more than 85 computer systems with configurations ranging from Celeron 1.70 GHz to Pentium 4 CPU 2.5 GHz are installed, with an internet facility of 100 Mbps provided by Vaishnavi online services.

The Vaagdevi Pharmacy College was established by the Vishwambhara Educational Society at Bollikunta, Warangal, in 2007 to provide cutting-edge, comprehensive pharmacy education and research that emphasises students' integrated personalities. To better serve our students and accomplish our objectives, we at Vaagdevi Pharmacy College in Bollikunta, Warangal, provide a variety of programmes that will enhance their academic and personal skills. Students are allowed to start working straight immediately, which helps them locate better employment opportunities and increases their take-home salary.

We genuinely believe that the main objective of college should be learning and teaching. Trying to use new knowledge and skills is one of the best ways to improve learning. Therefore, we have used various educational tactics and activities to encourage our students to think creatively and demonstrate their best abilities. At Vaagdevi Pharmacy College in Bollikunta, Warangal, numerous events are scheduled and carried out annually to support gender equity and educate girl students about their legal rights and women's power.

Students will gain soft skills such as leadership ability, compassion, social adaptation, dedication, and, most significantly, humanitarian values via participation in various social activities. Such as National Pharmacy Week, World Pharmacist Day, World Cancer Day, Yoga Day, International Women's Day, Traditional Day etc., are conducted annually. Numerous initiatives, such as water harvesting, tree planting, energy saving, hazardous or toxic waste management, e-waste management, etc., are taken to ensure an environmentally friendly campus.

These talents allow them to become both influential professionals and good humanitarians. Our confidence in our ability to continually generate novel ideas that will give all of our research new dimensions keeps us moving forward. The Institute's Vision, Mission, and Quality Policy clearly describe its distinctive approach to satisfying stakeholder expectations and resolving difficulties in the rapidly evolving pharmacy marketplace through its entire orientation towards Pharmacy education.
