

Green landscaping with trees and plants

- The Institute is situated on a lovely green campus with grass and breathtaking trees planted throughout.
- The majority of the college's passageways are also adorned with flower pots.
- In addition, the college maintains a distinct herbal garden on campus that is beneficial to studying.
- Every year, as part of an NSS programme, tree planting takes place on the college grounds and in adjacent villages to encourage environmentally friendly practices and tree maintenance.
- Tree guards are installed to protect little plants safe.

MEDICINAL GARDEN

Medicinal garden is a natural source of medicinal plants. It is a traditional system of India. We are giving utmost importance to the medicinal garden.

In our college we are growing medicinal plants such as *Imperita cylindrica* (dharba gaddi in telugu), *Terminalia arjuna* (thella maddhi), *Coleus Amboincus* (vaama aku), *Rauwolfia serpentine* (sarpa gandha), *Sauropus androgynus*, *Coleus forskohli* (pashana bhedi), *gymnema sylvestre* (poda pathri), *Clitoria ternatea* (shankha pushpha), *Vitex negundo* (vaavili), *Bryphyllum tinnatum* (ranapala), *Bacopa monnieri* (neeti brahmi), *Withania somnifera* (ashwadandha), *Terminalia chebula* (karakkaya), *Andrographis paniculata* (neela vemu), *Phyllanthus emblica* (usiri), *Plumbago zeylanica* (chitra mulum) etc.
